Paw Culture Dog Training Academy transforming Behavior with compassion specializing in Aggression Rehabilitation through Positive Reinforcement

TERMS AND CONDITIONS

1. Assessment Requirement:

Training will commence only after an assessment session to evaluate the dog's trainability. This session is not included in the package and requires a payment of ₹500.

2. Pet Parent Involvement:

Pet parents must be available for at least 10 sessions, as the training program involves the trainer, the dog, and the pet parent. To ensure the best results, pet parents should practice training exercises over the weekends in the trainer's absence.

3. Structured Training Approach:

Training will follow a structured program designed by the chief instructor.

4. Patience & Commitment:

Training is a scientific and result-oriented process. Pet parents should remain patient and committed throughout the program.

5. Following Instructions:

To achieve the best results, pet parents must adhere to the trainer's guidance and recommendations.
